Dear Alan,

Thank you very much for your e-mail. I respond on your e-mail also in behalf of Eva Baron (Dutch Ministry of Infrastructure & Environment).

I hereby would like to inform you that the Netherlands wishes to participate in Hornsea Project ONE and Hornsea Project TWO.

Notice, that we have already been involved in the past. For instance, we have reacted on the Preliminary Environmental Information Report of Hornsea project ONE and on the Scoping Report of Hornsea Project TWO last year. This year, we have also reacted on plans regarding the both Hornsea projects.

I hope this information is sufficient for you. If you need more information, please let me know.

Best regards,

Xander Keijser
