1 Introduction

Introduction

1.1.1 This **Book of Reference** (Doc Ref. 3.3) has been prepared on behalf of Gatwick Airport Limited (GAL). It presents the interests identified through GAL's diligent land referencing enquiries for the proposal to make best use of Gatwick Airport's existing runways and infrastructure (referred to within this report as 'the Project') and accompanies the application for development consent. The Project proposes alterations to the existing northern runway which, together with the lifting of the current planning restrictions on its use, would enable dual runway operations. The Project includes the development of a range of infrastructure and facilities which, with the alterations to the northern runway, would enable an increase in the airport's passenger throughput capacity.

1.1.2 This document has been prepared and submitted in compliance with Regulation 5(2)(d) of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 ("APFP Regulations").

1.1.3 The **Book of Reference** (Doc Ref. 3.3) is to be read in conjunction with **Land Plans** (Doc Ref. 4.2) submitted under regulation 5(2)(i) of the APFP Regulations. The **Land Plans** (Doc Ref. 4.2) identify all of the land required for the authorised development or required to facilitate or is incidental to the authorised development and over which compulsory acquisition powers and temporary use powers are being sought (the "Order Land").

1.1.4 A separate set of **Crown Land Plans** (Doc Ref. 4.3) as required by Regulation 5(2)(n) are submitted to identify land that possesses a Crown interest for which GAL is seeking compulsory acquisition powers.

1.1.5 A separate set of **Special Category Land Plans** (Doc Ref. 4.4) as required by Regulation 5(2)(i)(iv) are submitted to identify special category land which is likely to be lost as part of the Project, either to be acquired permanently or temporarily, and the respective replacement open space land.

1.1.6 For more information regarding the powers which are being sought in the application and the justification for these powers, please see the **Statement of Reasons** (Doc Ref. 3.2).

2 Book of Reference and Land Plans

Book of Reference and Land Plans

2.1.1 This **Book of Reference** (Doc Ref. 3.3) identifies the extent of acquisition or use being sought over each plot of land which corresponds to specific articles in the **draft DCO** (Doc Ref. 2.1). A detailed explanation of the powers being sought and the justification for those powers can be found in the **Statement of Reasons** (Doc Ref. 3.2) and the **DCO Explanatory Memorandum** (Doc Ref. 2.2). Table 1 identifies the phrase used in Column 2 of this **Book of Reference** (Doc. Ref. 3.3) to describe extent of powers of acquisition or use being sought by GAL in the **draft DCO** (Doc. Ref.

2.1) and sets out the corresponding articles in the **draft DCO** (Doc. Ref. 2.1). Further, the table identifies plots subject to the different powers are shown on the **Land Plans** (Doc. Ref. 4.2).

Column 2 of the BoR	Principle article in the draft DCO	Colour on the land plans
"Permanent Acquisition"	Article 27 (compulsory acquisition of land)	Pink
"Temporary Possession and Acquisition of Rights"	Article 28 (Compulsory acquisition of rights and imposition of restrictive covenants) Article 37 (temporary use of land for carrying out the authorised development)	Blue
"Temporary Possession and Acquisition of Rights (presumed highway)"	Article 28 (Compulsory acquisition of rights and imposition of restrictive covenants) Article 37 (temporary use of land for carrying out the authorised development)	Green

2.1.2 The **Book of Reference** (Doc Ref. 3.3) is divided into five Parts as prescribed by Regulation 7(1) of the APFP Regulations.

2.1.3 Each of the five Parts is summarised below, together with a brief commentary on how the requirements in the APFP Regulations have been interpreted and applied to the collation of each part of the **Book of Reference** (Doc Ref. 3.3) for the Order.

2.1.4 The Order Land is identified by numbered entries on the **Land Plans** (Doc Ref. 4.2) and in the **Book of Reference** (Doc Ref. 3.3). Each plot is numbered uniquely so that the prefix of the plot number relates to the Land Plans sheet number on which the plot appears.

2.1.5 All plot area measurements in the **Book of Reference** (Doc Ref. 3.3) are approximate, as these measurements are given in square metres, and each measurement is rounded up to the nearest whole square metre.

2.1.6 Each plot is coloured on the **Land Plans** (Doc Ref. 4.2). The **Land Plans** (Doc Ref. 4.2) show land and rights over which compulsory acquisition and temporary possession powers are sought and the powers being sought. On the **Land Plans** (Doc Ref. 4.2) the plots are coloured to show the type of power that is required over each plot of land to deliver the Project. These are:

- Pink: power to compulsorily acquire all freehold and leasehold interests
- Blue: power to compulsorily acquire rights by the creation of new rights or the imposition of restrictive covenants
- Green: power to compulsorily acquire rights by the creation of new rights or the imposition of restrictive covenants over presumed highway

2.1.7 Plots coloured pink or blue on the Land Plans (Doc Ref. 4.2) will also be subject to temporary possession powers and a statutory authority to override easements and other rights, and to extinguish private rights of way upon the appropriation of the land for the purposes of the Project.

2.1.8 Where a plot is shown as grey on the **Land Plans** (Doc Ref. 4.2), no powers of compulsory acquisition or temporary possession are sought. Whilst GAL is not anticipating carrying out any works related to this Project within these plots, they have been included within the Order limits because as detailed design progresses it may be desirable to carry out minor works such as protective works or utility diversion within their area, and so require to benefit from the corresponding powers within the draft DCO. Within this context GAL considers that it either already has sufficient land rights over these plots (the overwhelming majority fall within GAL's freehold ownership) or can obtain the land rights through private agreement where necessary, and without requiring any powers of compulsory acquisition or temporary possession.

2.1.9 The grey plots have been shown on the **Land Plans** (Doc Ref. 4.2) because they are retained within the Order limits and are required for and will be affected by the Project (regulation 5(2)(i)(i) APFP Regs). The details of the relevant owners in the grey plots have been included in **Book of Reference** (Doc Ref. 3.3) because the plots fall within the Order limits, and it is intended that part of the works may be carried out in that land (regulation 7 APFP Regs).

2.1.10 The grey plots are referenced on the **Land Plans** (Doc Ref. 4.2) and within this **Book of Reference** (Doc Ref. 3.3) with a prefix of "E" and are included in Part 2b of this **Book of Reference** (Doc Ref. 3.3). Where there are multiple grey areas with the same combination of HMLR titles, they have been collated and assigned the same plot number to make sure that the **Land Plans** (Doc Ref. 4.2) and **Book of Reference** (Doc Ref. 3.3) are accessible. These plot numbers are E/7, E/29 & E/30. On the **Land Plans** (Doc Ref. 4.2), the multiple grey plots that form a singular plot number are shown outlined in a singular colour: areas forming plot number E/7 are outlined in orange, areas forming plot number E/29 are outlined in pink and areas forming plot number E/30 are outlined in purple.

Part 1 of the Book of Reference

2.1.11 Part 1 of the **Book of Reference** (Doc Ref. 3.3) is described in Regulation 7(1)(a) as follows:

- "...Part 1 contains the names and addresses for service of each person within Categories 1 and 2 as set out in section 57 (categories for purposes of section 56(2)(d)) in respect of any land which it is proposed shall be subject to;
  - powers of compulsory acquisition;
  - rights to use land, including the right to attach brackets or other equipment to buildings; or
  - rights to carry out protective works to buildings.."

2.1.12 Category 1 persons are defined within section 57 of the Planning Act 2008 as those who own, lease, hold a tenancy in relation to or occupy land within the Order land.

2.1.13 Category 2 persons are those who have an interest in land within the Order land or have the power to sell and convey or to release such land.

2.1.14 Part 1 of the **Book of Reference** (Doc Ref. 3.3) contains the names and addresses of each person within Category 1 and 2.

Part 2 of the Book of Reference

2.1.15 Part 2 of the **Book of Reference** (Doc Ref. 3.3) is described in Regulation 7(1)(b) as follows:

- "...Part 2 contains the names and addresses for service of each person within Categories 3 as set out in section 57;"

2.1.16 Category 3 persons are defined as those who would or might be entitled to make a 'relevant claim' (being a claim under section 10 of the Compulsory Purchase Act 1965 and / or under Part 1 of the Land Compensation Act 1973 and / or under section 152(3) of the Planning Act 2008) as a result of the implementation of the Order, as a result of the Order having been implemented, or as a result of the use of the land once the Order had been implemented.

2.1.17 It is considered that Category 3 contains parties with legal rights or interests over the land within the Order Land. Category 3 also contains persons with interests in land outside the Order Land who, it is considered, might be able to make a relevant claim (as defined above).

2.1.18 Part 2a of the **Book of Reference** (Doc Ref. 3.3) contains the names and addresses of all those Category 3 persons with interests in the Order land, who it is considered might be able to make a relevant claim. For each plot, a description of the land and its approximate area are provided. Part 2b also contains the names and addresses of all those Category 3 persons with interests in land outside the Order land who, it is considered, might be able to make a relevant claim (as defined above).

Part 3 of the Book of Reference

2.1.19 Part 3 of the **Book of Reference** (Doc Ref. 3.3) is described in Regulation 7(1)(c) as follows:

2.1.20 "...Part 3 contains the names of all those entitled to enjoy easements or other private rights over land (including private rights of navigation over water) which it is proposed shall be extinguished, suspended or interfered with.."

2.1.21 Part 3 of the **Book of Reference** (Doc Ref. 3.3) contains the names of all those persons who it is considered may have their private rights over land affected by the Order.

2.1.22 Certain relevant persons included within Part 1 of the **Book of Reference** (Doc Ref. 3.3) have also been included within Part 3 where their rights may be affected. Examples include statutory undertakers with services in or under the Order land, and whose rights over the Order land are likely to be affected whether the Order land is required permanently or temporarily.

Part 4 of the Book of Reference

2.1.23 Part 4 of the **Book of Reference** (Doc Ref. 3.3) is described in Regulation 7(1)(d) as follows:-

- "...Part 4 specifies the owner of any Crown interest in the land which is proposed to be used for the purposes of the order for which application is being made;"

2.1.24 Where Crown interests in the Order land have been identified, these are listed in Part 4, and the relevant plots are also shown on the **Crown Land Plans** (Doc Ref. 4.3) to signify that it is Crown land.

Part 5 of the Book of Reference

2.1.25 In accordance with Regulation 7(1)(e) of the APFP Regulations, Part 5 identifies land:

- the acquisition of which is subject to Special Parliamentary Procedure under particular circumstances;
    - which is Special Category Land (meaning land which forms all or part of a common, open space, National Trust land held inalienably and fuel and field garden allotments)
    - which is replacement land; and
    - for each plot of such land within which it is intended that all or part of the proposed development and works shall be carried out, the area in square metres of that plot.

2.1.26 Please note that this Application does not intend to seek acquisition through Special Parliamentary Procedure due to this not being required and the only special category land within this Application is Open Space land.

2.1.27 The location of any land which is Special Category Land to be used either permanently or temporarily is shown on **Special Category Land Plans** (Doc Ref. 4.4) and noted within Part 5 of the **Book of Reference** (Doc Ref. 3.3).

Book of Reference Tracked Version

2.1.28 The Tracked Version of the **Book of Reference** (Doc Ref. 3.3) highlights the updates to land interest information since previous submission in March 2023 of **Book of Reference** (Doc Ref. 3.3 Version 3.0) as follows:

- those entries struck through and highlighted in ~~**red**~~ have been removed;
- those entries highlighted in **green** have been added; and
- those entries highlighted **orange** have an updated name, address, or qualifier.
