Hi Planning Inspectorate,

Again, I am writing to you after again being mobilised by the Stop Aquind campaigners in Portsmouth.

It seems Aquind are trying to find every avenue to gain planning approval for this disruptive scheme that the people of Portsmouth do not wish to suffer for the next decade.

On a personal note, the works involved will seriously impact my commute to my place of work. In what can be achieved in 11 minutes will extend to 30 - 45 minutes plus for a 3-7 mile commute by van. This will be the case for many commuting across the city from the Eastern Road area.

Please add my voice to the nays for this disruptive and unwanted project.

Regards

Radiator Showroom Ltd
VAT no: 8368 212 18
Registered in England No: 5838266

Please note: Radiators are supplied with wall mounting brackets, air vents and blanking plugs to suit. Radiator valves, optional wall stays for floor mounted cast iron radiators and other ancillaries are not included as standard unless detailed.

We strongly advise against booking installers prior to taking delivery and checking and inspecting goods for damages, incorrect supply or missing items. We do not accept charges for installers in these circumstances.
