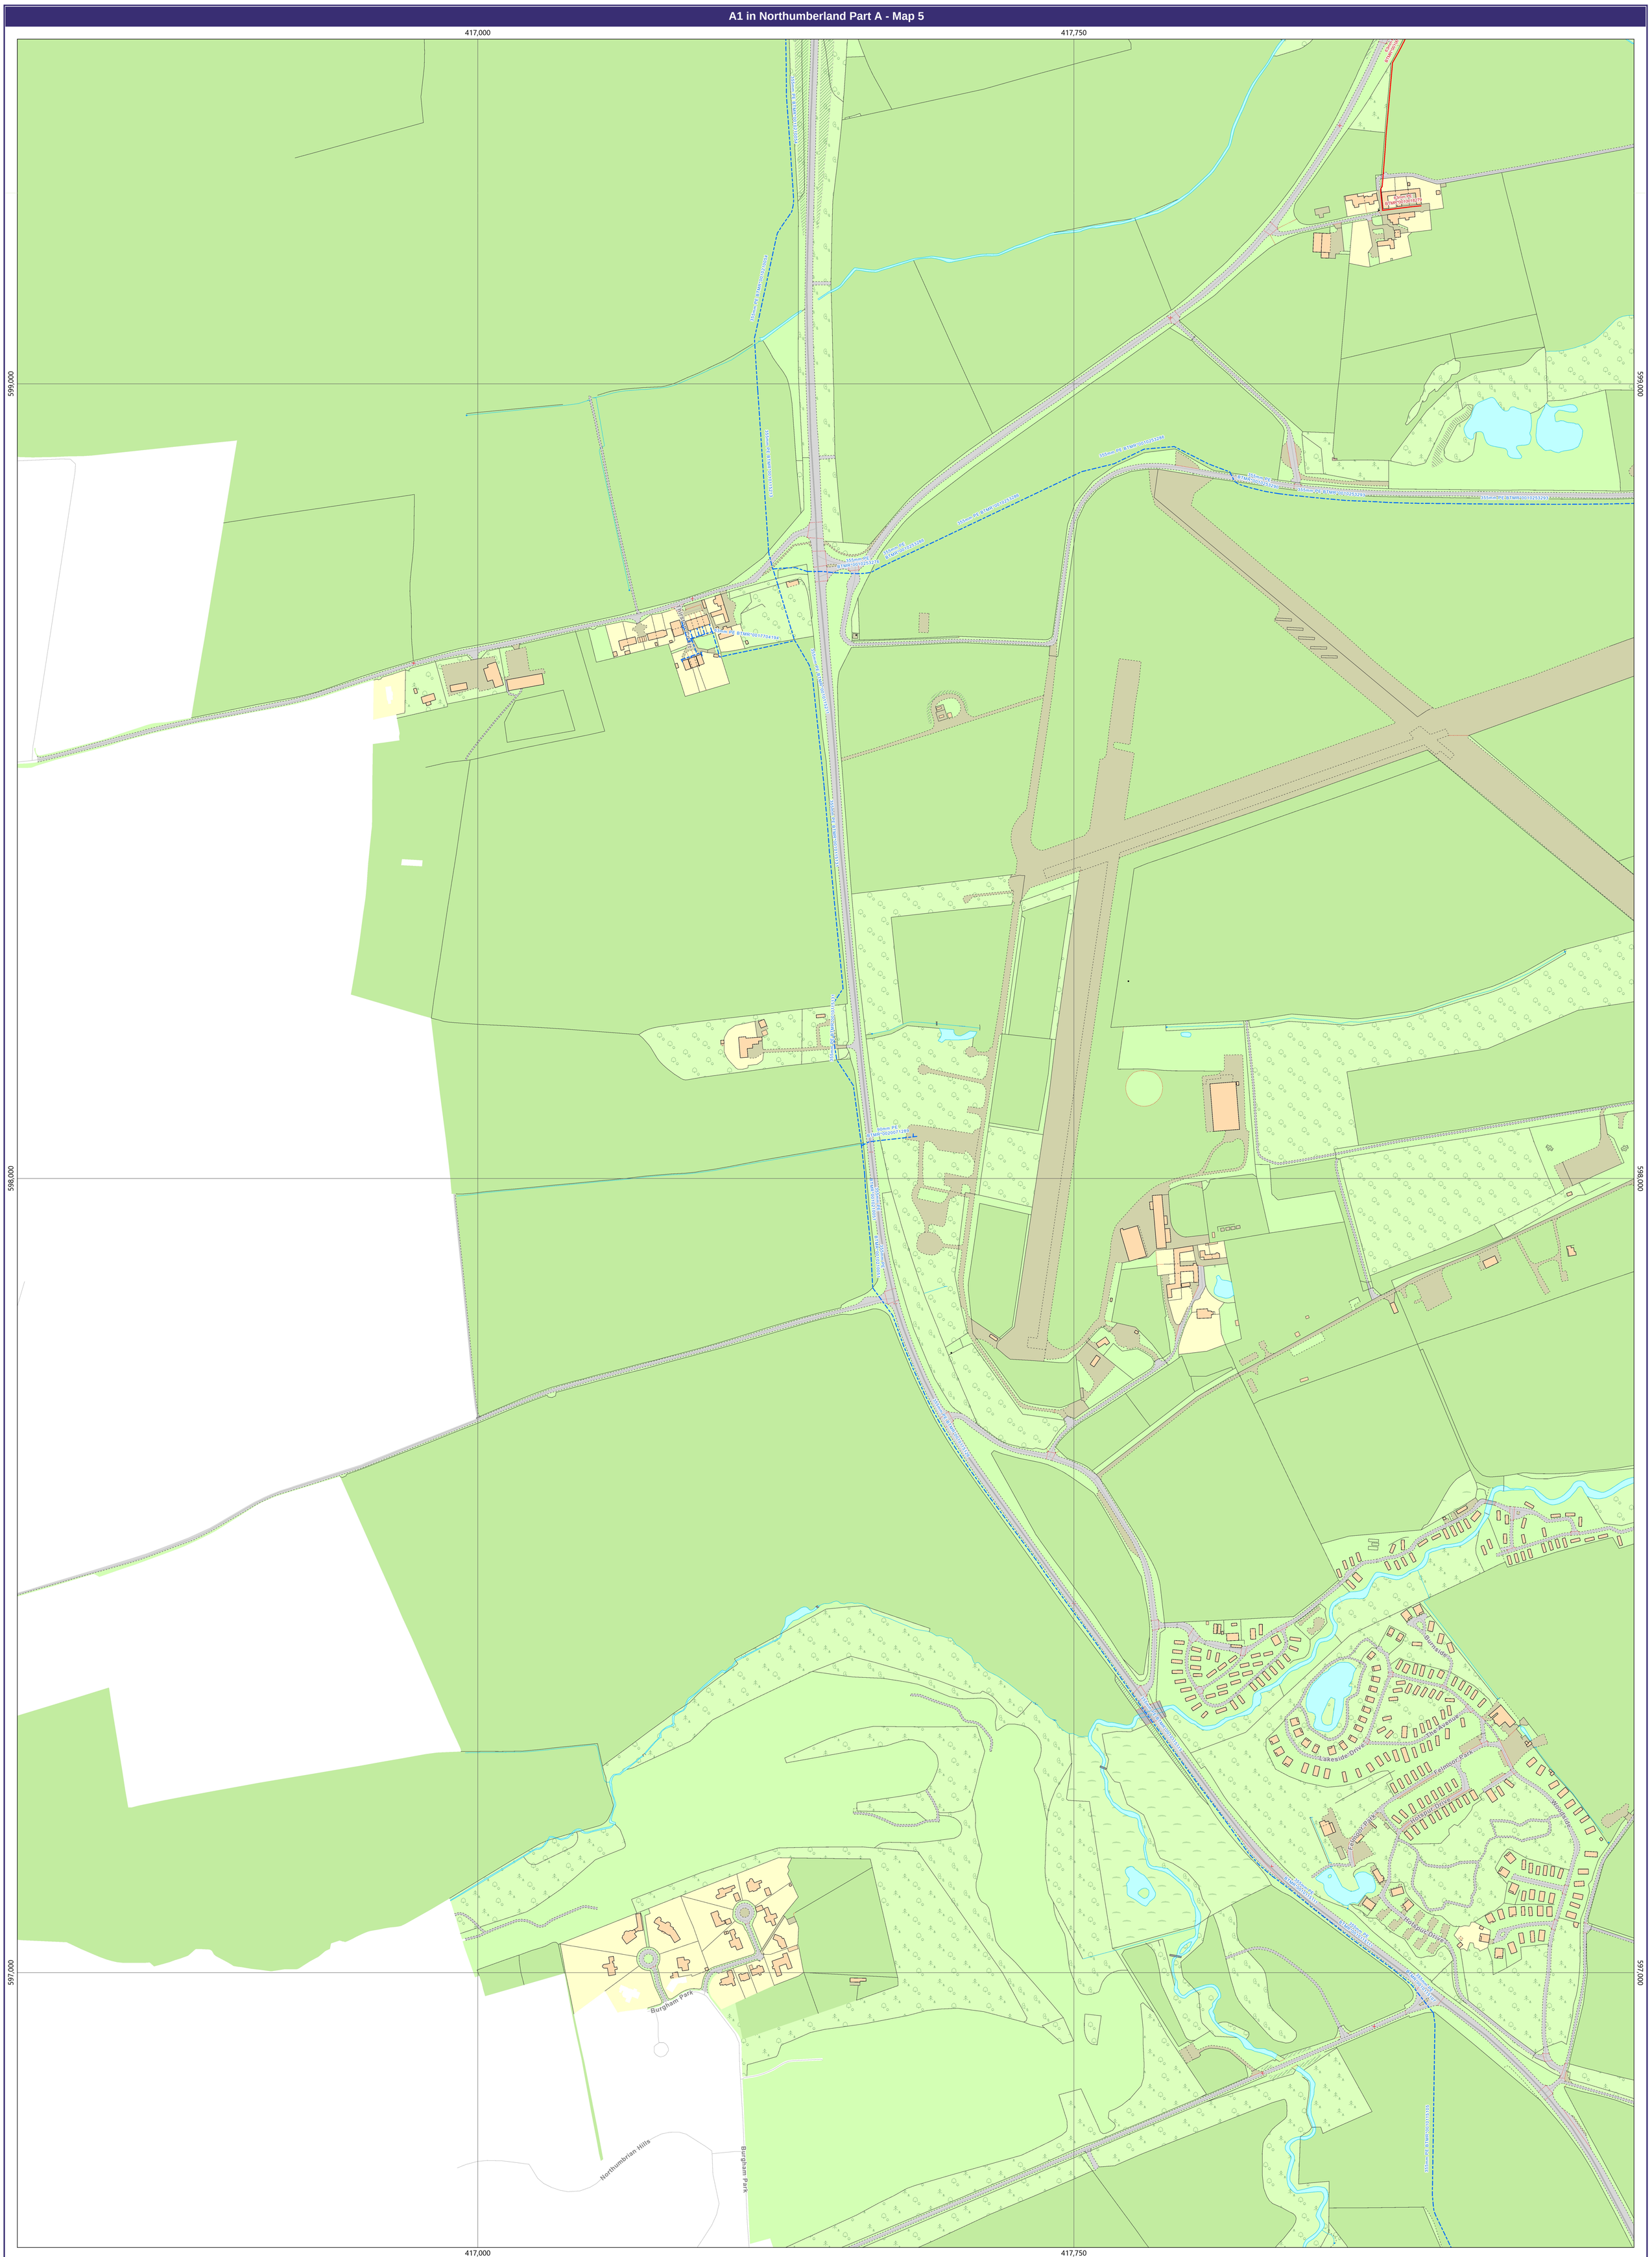
A1 in Northumberland Part A - Map 5



Legend

Gas Network Assets
- Main/Service Pipe (off)
- Main/Service Pipe (on)
- Main/Service Pipe (UP)
- Decommissioned Main/Service Pipe
- Decommissioned Main/Service Pipe (UP)

Gas without Terminations
- Main/Service Pipe (off)
- Main/Service Pipe (UP)
- Transmission Pipe (off)
- Transmission Pipe (UP)
- Decommissioned Main/Service Pipe
- Decommissioned Transmission Pipe (UP)

Gas Network Assets
- Valves (operational) (UP)
- Control Governor (UP)
- Inactive Governor (UP)
- Control Governor
- Decommissioned Governor (UP)

Gas Network Junctions
- Main/Service Pipe Junction
- Main/Service Pipe Junction Vertical Pipe Junction
- Cap (Gas) (UP)
- Cap Closure (UP)
- Cap Closure (UP) Vertical Pipe
- Riser Pipe Junction
- UG Offtake

Gas Network Devices
- Flow Valve (UP)
- MRS Plant (UP)
- Pressure Measurement (UP)
- Pressure Measurement (UP) Vertical Pipe
- Pressure Measurement (UP) Vertical Pipe
- Purge Point (UP)
- Purge Point (UP)
- Gas Interface Valve (UP)
- Gas Interface Valve (UP) Vertical Pipe
- Gas Interface Valve (UP)
- Vent Point (UP)
- Vent Pipe (UP)
- Vent Pipe (UP)

Gas Network Assets
- Ignitor (UP)
- Ignitor (UP)
- Ignitor (UP)
- Test Point (UP)
- Test Point (UP)
- Valve (UP)
- Valve (UP)
- Valve
- Decommissioned Riser Pipe
- Decommissioned MRS Plant
- Decommissioned Pressure Measurement
- Decommissioned Purge Point
- Decommissioned Gas Interface Valve
- Decommissioned Vent Pipe
- Decommissioned Ignitor
- Decommissioned Test Point
- Decommissioned Valve

Gas Network Asset
- Change in Diameter
- Change in Material
- Crossing Connection
- Depth of Cover

Other Features
- Building Outlines
- Housing

Protection Measures

Legacy Dimensioned Line Work
- As Built
- As Built

Scheduled Monument

Network Analysis
- MP Area
- Cluster
- Carbon Zone Area

Wayleaves
- Expired
- Expiring

Objects
- Cross Section - Gas Mains Location
- Cross Section - Confirmed Location
- Underground Cables (11kV)
- Underground Cables (400V)
- Underground Cables (230V)
- Underground Cables (230V)
- Underground Cables (230V)
- Underground Cables (230V)
- Underground Cables (230V)
- Underground Cables (230V)
- Underground Cables (400V)
- Underground Cables (400V)
- Underground Cables (400
