Subject: Objection to Aquid Cable
Date: 05 October 2020 13:01:11

I would like to register my objection to the proposed cable that will come ashore at Eastney and run all the way up the eastern side of Portsmouth.

The damage to nature and wildlife and the disruption caused is excessive and unsuitable. I understand there was a proposal to run the cable through the channel tunnel. This seems a much more sensible option, to run it through a tunnel which already exists, rather than destroying landscapes.

Kind regards,
Nicky Dodd
