The Planning Inspectorate

Whitemoss Landfill Western Extension

The Planning Inspectorate is the government agency responsible for examining applications for major infrastructure projects.

An application has been received from Whitemoss Landfill Limited for the Whitemoss Landfill Western Extension.

The Planning Inspectorate is holding events to help people understand the planning process, when to register and how to make a representation.

How to register and make a representation

Join us at one of the venues in **Skelmersdale** to find out more about the application process. Planning Inspectorate staff will be on hand to provide guidance and show you how to register as an interested party.
