Subject: Objection to Aquind Interconnector
Date: 03 October 2020 21:43:10

Hello.

I object to ALL plans for Aquind Interconnector in Portsmouth, UK, in particular the Milton area where I live. I object to any disruptive work on Milton allotments and Milton Common and certainly don't want any work in my street.

I think Britain should find other solutions to it's energy consumption.

Thank You

Rebecca Ellcome
