Subject: Opposition to planning permissions for Aquind cabling through Portsmouth
Date: 05 October 2020 15:21:22

To whom it may concern
I am writing to express my very strong opposition for the plan rip up land in Portsmouth for the purpose of laying internet cabling.
Portsmouth is a very built up and densely populated part of Hampshire, with high levels of pollution.
The proposed plan shows wanton disregard for areas of natural beauty & habitats of wild life e.g. Farlington Marshes. It also shows destruction of well used allotments and parkland.
All this will be to the detriment of local residents , many of whom have no personal outdoor space! This need has been particularly high-lighted in these days of Covid!
I would strongly urge you to reconsider this plan
Regards
Suki Jones
