Subject: Aquind Portsmouth - OBJECTION TO PROPOSAL
Date: 05 October 2020 08:59:48

Dear sir/madam,

I am writing to voice my objection to the Aquind proposal in Portsmouth. I have numerous concerns on the limited information I have heard so far.

I am deeply concerned at the lack of information and consultation with residents. I am also an allotment holder and enjoy the local wildlife. The allotments are crucial to my health and well-being, it is a community there and the allotment provide a vital social life line for many elderly and vulnerable, myself included. The little wildlife we have in the area is already part of a fragile eco system. Our planet is already under threat, please do not make it worse with this action!

My request is that you stop plans & open a consultation with the Portsmouth city council & residents and allow us to engage and be involved in the decision making process. I would also be interested to learn more detailed plans with these plans shared widely with the Portsmouth community.

Thankyou

Tai Tai Hui
Portsmouth resident
