Subject: LONDON RESORT PROJECT
Date: 14 March 2022 07:58:21

Dear Sirs

Further to your Procedural Notice of 14th February, as a business on the Swanscombe Peninsular, I am writing to confirm that I have had no further contact since then from LRCH or its agents concerning The London Resort Project and their proposals. Thus, I believe that the Examination should proceed as a matter of urgency and there should be no further delays.

Kind regards

George Spring
