Dear Sirs,

**Application by London Resort Company Holdings for an Order Granting Development Consent for the London Resort**

**Response to Consultation, Advice and Procedural Decisions on Examination Procedure and Timing**

I refer to your recent correspondence dated 1<sup>st</sup> February 2022 seeking a list of engagements with London Resort Holding Company ("the Applicant") and / or their representatives between 1<sup>st</sup> February and 10<sup>th</sup> March 2022.

On behalf of Tarmac (an affected party who own a parcel of land extending to 56 acres or thereabouts entirely within the Applicant's DCO Order Limits) I can confirm that since submitting our representations letter dated 30<sup>th</sup> March 2021, there have been no attempts by the Applicant and / or their representatives to engage either after our representation letter was submitted or between the specified dates.

As set out in our representation letter, Tarmac remains willing to engage with the Applicant and / or their representatives to address the issues raised in representations, but until the matters highlighted in our letter are adequately addressed, Tarmac maintain their objection to the compulsory purchase powers being sought.

Yours faithfully,

**Piers Collacott MRICS**  
**Senior Associate**
