Dear Sirs/Madams

We are acting on behalf of Global Mutual (asset manager of Lakeside Shopping Centre, Chafford Hundred), who is registered as an Interested Party in the DCO Examination of the London Resort (Registration identification number 20027740). We recently received the below update and draft timetable for the DCO Examination stage. Having reviewed all of the associated guidance however remain unclear as to the following:

1. When issues relating to traffic effects/capacity will be considered (ISH1 or later sessions?)
2. When to submit Written Representations on the above and guidance on WR's
3. When to register if wishing to attend Issue Specific Hearings (Principal Issue No. 5 I believe) and dates for these

Could you please advise for the avoidance of doubt, or give me a call to discuss?

Many thanks for your help.

Kind regards

Sam McCartney
