Hinkley Point C Site Key Plan - NTS

Materials Key:

1. Concrete / render finishes
   1.1 In-situ concrete
   1.2 Pre-cast concrete
   1.3 Render finish

2. Cladding
   2.1 Aluminium standing seam panels
   2.2 Aluminium panels
   2.3 Profiled steel panels
   2.4 Flat steel panels
   2.5 Fibre cement cladding
   2.6 Glass reinforced plastic

3. Glazing / translucent materials
   3.1 Cast glass c-channel
   3.2 Frameless glazing
   3.3 Opague glazed spandrel panel
   3.4 Polycarbonate translucent cladding

4. External wall features
   4.1 Aluminium trims, copings and casings
   4.2 Aluminium louvres
   4.3 Glass louvres
   4.4 Aluminium Battens
   4.5 Metal sheeting
   4.6 Mesh expanded metal panels
   4.7 Fencing
   4.8 Barbed tape
   4.9 Retractable steel shutters
   4.10 Wall vents and hatches
   4.11 Rainwater pipe and hopper

5. Doors
   5.1 Metal door
   5.2 Metal louvre door
   5.3 Glazed door
   5.4 Access gates

6. Window / metalwork accessories
   6.1 External fabric blinds
   6.2 Cavity venetian blinds
   6.3 Glazed balustrade
   6.4 Metal stairs and ladders

7. Roofing
   7.1 Sedum roof
   7.2 Slate roof
   7.3 Standing seam roof
   7.4 Concrete roof

8. Roofing Accessories
   8.1 Roof light
   8.2 Roof vents and hatches
   8.3 Metal cappings and copings
   8.4 Polycarbonate translucent cladding
   8.5 Pre cast steel panels
   8.6 Pressure balancing
   8.7 Roof plant
   8.8 Steel grating

Vertical Enclosure - Wall

Concrete / render finishes

In-situ concrete
Pre-cast concrete
Render finish

Cladding

Aluminium standing seam panels
Aluminium panels
Profiled steel panels
Flat steel panels
Fibre cement cladding
Glass reinforced plastic

Glazing / translucent materials

Cast glass c-channel
Frameless glazing
Opaque glazed spandrel panel
Polycarbonate translucent cladding

External wall features

Aluminium trims, copings and casings
Aluminium louvres
Glass louvres
Aluminium Battens
Metal sheeting
Mesh expanded metal panels
Fencing
Barbed tape
Retractable steel shutters
Wall vents and hatches
Rainwater pipe and hopper

Door styles

Metal door
Metal louvre door
Glazed door
Access gates

Window / metalwork accessories

External fabric blinds
Cavity venetian blinds
Glazed balustrade
Metal stairs and ladders

Roofing

Sedum roof
Slate roof
Standing seam roof
Concrete roof

Roofing Accessories

Roof light
Roof vents and hatches
Metal cappings and copings
Pressure balancing
Roof plant
Steel grating
