**Materials Key:**

### Vertical Enclosure - Wall
1. Concrete / render finishes
   1.1 In-situ concrete
   1.2 Precast concrete
   1.3 Render finish
2. Cladding
   2.1 Aluminium standing seam panels
   2.2 Aluminium panels
   2.3 Profiled steel panels
   2.4 Flat steel panels
   2.5 Fibre cement cladding
   2.6 Glass reinforced plastic
2.7 Glass reinforced panels

### Glazing / translucent materials
3.1 Cast glass c-channel
3.2 Frameless glazing
3.3 Framed glazing
3.4 Opaque glazed spandrel panel
3.5 Polycarbonate translucent cladding

### Glazing / translucent materials
3.6.1 Aluminium trims, copings and casings
3.6.2 Aluminium louvres
3.6.3 Glazed louvres
3.6.4 Aluminium window seals
3.6.5 Mesh expanded metal panels
3.6.6 Steel grid
3.6.7 Roof light
3.6.8 Roof vents and hatches
3.6.9 Retractable steel shutters
3.6.10 Rainwater pipe and hopper
3.6.11 Steel grid

### Roofing
4.1.1 Sedum roof
4.1.2 Ballast
4.1.3 Standing seam roof
4.1.4 Concrete roof

### Roofing Accessories
4.2.1 Roof light
4.2.2 Roof vents and hatches
4.2.3 Metal coping and copings
4.2.4 Guttering
4.2.5 Post wall solar panels
4.2.6 Polycarbonate
4.2.7 Roof Plant
4.2.8 Steel grid

### Cladding
2.1.1 Aluminium standing seam panels
2.1.2 Aluminium panels
2.1.3 Profiled steel panels
2.1.4 Flat steel panels
2.1.5 Fibre cement cladding
2.1.6 Glass reinforced plastic
2.1.7 Glass reinforced panels

### Glazing / translucent materials
3.1.1 Cast glass c-channel
3.1.2 Frameless glazing
3.1.3 Framed glazing
3.1.4 Opaque glazed spandrel panel
3.1.5 Polycarbonate translucent cladding

### Glazing / translucent materials
3.2.1 Aluminium trims, copings and casings
3.2.2 Aluminium louvres
3.2.3 Glazed louvres
3.2.4 Aluminium window seals
3.2.5 Mesh expanded metal panels
3.2.6 Steel grid
3.2.7 Roof light
3.2.8 Roof vents and hatches
3.2.9 Retractable steel shutters
3.2.10 Rainwater pipe and hopper
3.2.11 Steel grid

### Roofing
4.1.1 Sedum roof
4.1.2 Ballast
4.1.3 Standing seam roof
4.1.4 Concrete roof

### Roofing Accessories
4.2.1 Roof light
4.2.2 Roof vents and hatches
4.2.3 Metal coping and copings
4.2.4 Guttering
4.2.5 Post wall solar panels
4.2.6 Polycarbonate
4.2.7 Roof Plant
4.2.8 Steel grid
