Sir or Madam, I write reference the proposed non-material changes and specifically the time being allowed for members of the public to comment.

I feel that as there will not be an opportunity to hold consultation or publicity events, then people may not be aware of these proposals.

I would ask that the consultation time period for response/comments be extended and that EDF consider how they can reach as many people as possible to ensure the proposals are communicated widely, perhaps a special newsletter to every home?

I would ask that as part of the consultation a report be generated showing the reach of the communications and engagement detail.

Stay safe,

Councillor Leigh Redman - Somerset County Council  
Leader Labour Group and Chair Children & Families Scrutiny Committee.  
Member Devon & Somerset Fire authority
