Dear HPC Nuclear

Please find attached comments on behalf of Sedgemoor District Council in relation to consultation by EDF Energy on the above application.

Sincerely

Charlotte Rushmere

Date: 7 September 2020

Dear Major Applications and Plans

Hinkley Point C (Nuclear Generation Station) Order 2013

Application for a non-material change in relation to the Hinkley Point C permanent development site

Consultation under Regulation 7 of the Infrastructure Planning (Changes to, and Revocation of, Development Consent Orders) Regulations 2011

Further to consultation by EDF Energy relating to the submission of a non-material change application to the Planning Inspectorate, Sedgemoor District Council (SDC) has reviewed the submission and wishes to make no comment to the Secretary of State.

For the avoidance of doubt, SDC understands that the non-material change application includes the following proposed changes:

- Amendments to the description of the authorised development within the Development Consent Order (DCO) and amendments to the approved plans, for the purposes of changing the siting, layout and design of buildings and structures within the site.
- Amendments to the DCO schedule of Requirements for the purposes of removing to the permanent helipad which is no longer proposed.
- An amendment to the DCO for the purpose of amending the procedure for the discharge of requirements, in relation to fees.

Yours sincerely

[REDACTED]
