Dear Denise

Hinkley Point C (Nuclear Generating Station) Order 2013, made 18 March 2013

Amendment to the Non-Material Change application in relation to the Hinkley Point C Permanent Development Site

Following our meeting on 14 May 2021 I write on behalf of NNB Generation Company (HPC) Limited to formally request that you pause your determination of the extant Non-Material Change application, which was submitted to yourselves on 28 July 2020.

As a result of further design work we now wish to submit an amendment to the existing application, specifically to the Parameter Plan, to allow greater flexibility in the siting of the Back-up Emergency Equipment Store.

Our submission is well developed and we will be in a position to submit to you shortly, alongside carrying out a targeted consultation.

Should you require anything further, please do not hesitate to contact me using my email address: ██████████@nnb-edfenergy.com

Yours sincerely

Andrew Goodchild
Planning Manager HPC
