Dear Sirs

**County Matter Application/
Town and County Planning General Regulations 1992 - Regulation 3**

Application No: SCC/3843/2021/NMA

Proposal: Amendment to the Non-Material Change application in relation to the Hinkley Point C Permanent Development Site

Location: Hinkley Point C

Hinkley Point Road

Stogursey

Bridgwater

TA5 1YA

I refer to the above consultation received 7 June 2021.

I am writing to confirm that Somerset County Council raise no objection to the proposal but would ask that the ecologists comment: 'In the unlikely event that impacts to protected species occur as a result of the proposed Amendment to the Non-Material Change application, the applicant is asked to refer to the existing Ecological Mitigation and Monitoring Plan currently in place and overseen by Wood consultants' is taken into account by the applicants.

Yours sincerely
