Dear Sir/Madam

**Application for the proposed Triton Knoll Offshore Wind Farm located approximately 33km off the coast of Lincolnshire**

**Notice of completion of the Examining Authority's examination of the application**

As required by section 99 of the Planning Act 2008 (as amended), I am writing to inform you that the Examining Authority completed the examination of the above application at 12.05pm on Monday 21 January 2013.

Thank you to all Interested Parties and others who have contributed to the examination through written representations, participation in oral hearings and in meeting the deadlines we set.

The findings and conclusions arising from the examination, together with the recommendation, will be sent to the Secretary of State of the Department of Energy and Climate Change within three months.

Any submissions received by The Planning Inspectorate after the examination has closed (during the recommendation stage) are not made available to the Examining Authority and will not be taken into account within the Examining Authority's report to the Secretary of State.

Yours faithfully

**Gideon Amos OBE RIBA MRTPI**  
**Lead member of the Examining Authority – on behalf of the Panel**

Advice may be given about applying for an order granting development consent or making representations about an application (or a proposed application). This communication does not however constitute legal advice upon which you can rely and you should obtain your own legal advice and professional advice as required.

A record of the advice which is provided will be recorded on the Planning Inspectorate website together with the name of the person or organisation who asked for the advice. The privacy of any other personal information will be protected in accordance with our Information Charter which you should view before sending information to the Planning Inspectorate.
