### Request for EIA participation in the proposed development for a nuclear power station at Wylfa, Anglesey, North Wales

Dear Sir/Madam

I would like to thank you for your letter of notification in accordance with Article 3 of the Convention on Environmental Impact Assessment in a Transboundary Context (Espoo Convention) and for providing the opportunity to participate in the Environmental Impact Assessment (EIA) procedure for the proposed development of a new nuclear power station at Wylfa, Anglesey, North Wales.

In Germany, the respective competent authorities are responsible for participation in Environmental Impact Assessment procedures. According to the German Atomic Energy Act, the federal states (*Länder*) are responsible for the licensing and EIA procedures of nuclear power plants.

The German Federal State of Lower Saxony requests participation in the EIA procedure for the aforementioned project.

Yours sincerely,

on behalf of the of Lower Saxony Ministry  
for Environment, Energy and Climate Protection

**Subject:** WG: Wylfa Newydd Generating Station - registration as an "interested party"

Dear Madam/Sir,

Thank you for the below information on the new procedure for the Wylfa Newydd Generating Station which was forwarded to me my colleague Julia Paul and which I had further forwarded to the competent authorities in Germany.

I appreciate the offer to register as an "interested Party". Do I understand it correctly that this procedure will only be open at a later stage, i.e. once there is a formal application for development consent? I had looked at the information provided on your website and could not find the respective means to register, yet.

I am putting in copy a colleague from one of the Länder authorities in charge who had the same question.

Kind regards,  
Heidi

**Subject:** Development for a nuclear power station at Wylfa - EIA participation and registering as interested party

Dear Ms. Wilding, dear Madam/Sir,

responding to your letter of February 1 of 2017 I would like to thank you on behalf of the Ministry for Environment of the State of North Rhine-Westphalia for providing us with the opportunity to participate in the transboundary EIA procedure as well as for the opportunity to register as an interested party.

Unfortunately we defaulted the provided time limit to request the participation in the EIA procedure (17 March 2017). Therefore we would like to register as an 'interested party' for the examination stage. I would be very grateful if you could provide an indication whether the official online registration form is available.

Thank you very much in advance for any information and best regards

Yours faithfully  
Falk Schulze
