Dear Emma,

I am very sorry for this late feedback, due to summer vacation so it has been difficult to coordinate between the Danish authorities.

Denmark has no comments on your hearing, but we would like to be kept informed about the project and future hearings.

Best regards

Dear Karin Amette Pedersen,

Thank you for your email. We are happy to receive Denmark's comments by the end of August 2018.

As stated in our letter you are now able to register as an 'Interested Party' to the examination of the Proposed Development. The deadline for doing so is 13 August 2018, which is a statutory deadline that cannot be changed. However, this does not affect your right to participate with the process in accordance with the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017.

Kind regards  
Emma

**Subject:** Confirmation of receipt and remark regarding the stipulated deadline regarding the espoo information concerning Wylfa Newydd Nuclear Power Station

Dear Simone Wilding,

I hereby confirm that the Danish Environmental Protection Agency has received your information letter in accordance with the Espoo Convention concerning the establishment of the Wylfa Newydd Nuclear Power Station.

A consultation of affected authorities has been launched today. Therefore, I would like to draw attention to the fact that it can be very difficult for all authorities to comply with the consultation deadline as it is time for holiday in Denmark from mid July to mid August.

I do my utmost to comply with the deadline, but at the moment I can not rule out that you will first receive a feedback from Denmark by the end of August 2018.

Best regards

**Karin Anette Pedersen**
