<b>Dyddiad:</b>	11 Ionawr 2019, 9.00am i ddechrau am 9.30am
<b>Lleoliad:</b>	Gwesty Bae Trearddur, Bae Trearddur, Ynys Môn LL65 2UN

### Gwrandawiadau Mater Penodol

Gwahoddir pob Parti â Buddiant i ddod i wrandawiadau mater penodol, ond byddai'n hwyluso'r broses o'u cynnal pe gallech roi gwybod i Dîm Achos yr Arolygiaeth ([Wylfa@pins.gsi.gov.uk](mailto:Wylfa@pins.gsi.gov.uk)) am ddymuniad i gymryd rhan cyn y gwrandawriad.

Mae gan bob Parti â Buddiant yr hawl i wneud cynrychiolaethau llafar mewn gwrandawiadau. Fodd bynnag, mae hyn yn ddarostyngedig i rym yr Awdurdod Archwilio (ExA) i reoli gwrandawiadau.

Bydd lleoliad y gwrandawriad ar agor 30 munud cyn i bob gwrandawriad ddechrau er mwyn iddo allu dechrau'n brydlon. Bydd gwrandawiadau'n gorffen cyn gynted ag y bydd yr ExA yn penderfynu bod pawb sy'n bresennol wedi dweud eu dweud a bod yr holl faterion wedi derbyn sylw.

Diben yr agenda hon yw rhoi arweiniad yn unig. Ni fwriedir iddi fod yn gyfyngedig i'r materion hyn na chynnwys pob mater posibl. Gallai'r ExA ychwanegu materion eraill i'w hystyried, gallai newid y drefn ar gyfer ystyried materion a bydd yn ceisio neilltuo digon o amser i bob mater fel y gellir eu hystyried yn briodol. Os na thrafodir mater penodol mewn gwrandawriad, ni fydd hynny'n atal archwilio'r mater hwnnw ymhellach, gan gynnwys trwy gwestiynau ysgrifenedig pellach.

Gwneir pob ymdrech i sicrhau y bydd y materion yn cael eu trafod ar y diwrnodau a bennwyd yn yr amserlen. Os bydd yn cymryd llai o amser nag a ragwelwyd i ystyried y materion, gallai'r ExA derfynu'r Gwrandawriad cyn gynted ag y bydd yr holl gyfraniadau perthnasol wedi cael eu gwneud a'r holl gwestiynau wedi cael eu gofyn a'u hateb.

Os oes materion ychwanegol i'w hystyried neu os oes cyflwyniadau sy'n cymryd cryn dipyn o amser mewn unrhyw Wrandawriad, mae'n bosibl y bydd angen ymestyn hyd y sesiwn y diwrnod hwnnw. Fel arall, efallai y bydd angen blaenoriaethu materion a neilltuo eraill ar gyfer cwestiynau ysgrifenedig pellach.

**Sylwer:**

**Er mwyn sicrhau bod yr agenda'n cael ei chyhoeddi cyn gwyliau'r Nadolig, fe'i lluniwyd cyn derbyn cyflwyniadau ar gyfer Terfyn Amser 3.**

## **Wylfa Newydd Nuclear Power Station Project Development Consent Order Application**

**Issue Specific Hearing:** Second Issue Specific Hearing on Biodiversity (including Coastal Change, Climate Change and Transboundary Impacts)

**Date:** 11 January 2019, 9.00am for 9.30am start

**Location:** The Trearddur Bay Hotel, Trearddur Bay, Isle of Anglesey LL65 2UN

### **Issue Specific Hearings**

All Interested Parties are invited to attend issue specific hearings but it would assist the running of the hearings if notice could be given to the Inspectorate's Case Team ([Wylfa@pins.gsi.gov.uk](mailto:Wylfa@pins.gsi.gov.uk)) of a wish to participate prior to the hearing.

Each Interested Party is entitled to make oral representations at hearings. However, this is subject to the Examining Authority's (ExA's) power to control hearings.

The hearing venue will be open 30 minutes prior to the start of each hearing to enable a prompt start. Hearings will finish as soon as the ExA deems that all those present have had their say and all matters have been covered.

This agenda is for guidance only. It is not designed to be exclusive or exhaustive. The ExA may add other issues for consideration, may alter the order in which issues are considered and will seek to allocate sufficient time to each issue to allow proper consideration of them. Any lack of discussion of a particular issue at a hearing does not preclude further examination of this issue, including further written questions.

Every effort will be made to ensure that the issues will be discussed on the days that they are scheduled for. Should the consideration of the issues take less time than anticipated, the ExA may conclude the Hearing as soon as all relevant contributions have been made and all questions asked and responded to.

If there are additional matters to be dealt with or there are submissions that take a considerable amount of time at any Hearing there may be a need to continue the session for longer on the day. Alternatively it may be necessary to prioritise matters and defer others to further written questions.

### **Please Note:**

**In order to ensure publication of the agenda before the Christmas break, this has been drafted prior to receipt of submissions for Deadline 3.**

**Issue Specific Hearing:** Second ISH on Biodiversity (including Coastal Change, Climate Change and Transboundary Impacts)

## Agenda

### 1. Welcome, introductions, arrangements for the hearing

### 2. Purpose of the Issue Specific Hearing (ISH)

- a. To consider the effects of the Application with regards to coastal change.
- b. To understand the implications of climate change on the Proposed Development.
- c. To consider the latest position on transboundary issues.

### 3. Coastal Change

- a. To identify areas where there are still differences of opinion and whether additional work, mitigation or changes to the Proposed Development are required in respect of the loss of intertidal and subtidal habitats.
- b. To understand the concerns expressed by National Trust in the Statement of Common Ground [REP2-058] regarding the impacts from construction and operation of marine works and how these can be resolved.
- c. To identify areas where there are still differences of opinion and whether additional work, mitigation or changes to the development proposals in relation to:
  - i. Sediment Regime Report [APP-217];
  - ii. Main Site Wave Modelling Report [APP-218]; and
  - iii. marine modelling of the construction discharge [APP-232]

### 4. Climate Change

- a. To identify areas where there are still differences of opinion and whether additional work, mitigation or changes to the Proposed Development are required in respect of the measures incorporated into the design of the Proposed Development to enable it to adapt to the effects of climate change
- b. To identify areas where there are still differences of opinion and whether additional work, mitigation or changes to the Proposed Development are required in respect of flood risk at:
  - i. Wylfa Newydd Development Area;
  - ii. Dalar Hir Park & Ride; and
  - iii. Off-line highway improvements.

## **5. Transboundary Issues**

- a. To receive an update on any outstanding transboundary issues

## **6. Action points arising from the hearing**

## **7. Close of Hearing**

### **Attendees**

The ExA would find it helpful if the following parties could attend this hearing. However, this does not indicate that other parties will not be able to contribute. All Interested Parties are invited to attend and make oral representations on the matters set out in the agenda, subject to the ExA's discretion.
