Dear Ms Sully

Further to my letter of 21 January 2019, I have consulted with our Shareholder and widely with stakeholders and other interested parties across the project, and there is clearly significant support and encouragement for Horizon to continue and conclude the DCO process to its current timescale. I can confirm we will be keeping in place the necessary resource and financial support to do this.

If you have any questions or require more information please contact Neil Burke or myself.

Yours sincerely

Anthony Webb
