**Subject:** NACP response to EXQ2

On behalf of the North Anglesey Council's Partnership, please find here their response to Question 2.14.5 within ExQ2.

Q2.14.5	NACP	Q	You refer [REP2-337] to the potential for a scheme for
---------	------	---	--

			200 houses at Madyn Farm, Amlwch to be used by workers. Please provide further details including how many workers the scheme could accommodate.
--	--	--	---

Please note that the correct reference to the NACP representation is REP2-337 rather than REP2-333.

The potential to use the Madyn Farm site for Temporary Worker Accommodation was made by Horizon in their Stage 2 consultation documents. Full details are provided in in Chapter 17 of the Stage 2 Main Consultation Document.

<https://consultation.horizonnuclearpower.com/download/documents/149>

The NACP understand from this information that the proposal was for 200 bedspaces in 50 houses. However it is important to note that this is not a scheme for which the NACP hold any responsibility. The scheme was referred to in REP2-337 in the context of the other TWA sites that were being promoted by Horizon in the consultation stage. The NACP then also referred to the scheme in REP4-054, following Horizon's response to REP2-337 (Horizon document REP3-032). This response from Horizon stated that they were reconsidering the Madyn Farm scheme and NACP's REP4-054 confirmed our support for this action.

Regards
