1 February 2019

Dear Ms Sully,

**EN010007 Wylfa Newydd Nuclear Power Station**

Following the issue of the Rule 8(3) timetable variation on 18 December 2018, Horizon provided a letter commenting on the changes put forward, accepted and published at the discretion of the Examining Authority on 21 December 2018. This additional submission into the Examination requested further consideration of the dates and submissions in respect of the section 106 matters currently timetabled, and for the Rule 8 Letter to be updated accordingly.

Horizon have requested the following timetable to be considered by the Examining Authority:

Table 1: Revised timetable proposed by Horizon in letter dated 20 December, accepted into Examination as Additional Submission

Activity	Deadline	Date
Draft S106 Agreement	3	18 December 2018
Updated draft S106 Agreement	6	19 February 2019
Final form S106 Agreement	8	25 March 2019
Signed S106 Agreement	10	17 April 2019

Welsh Government wish to express support for these proposals as set out above. Welsh Government have been engaging with Horizon, along with Isle of Anglesey County Council (IACC) and Gwynedd Council, and have been providing comments and drafting to the draft section 106 agreement so far throughout the Examination process.

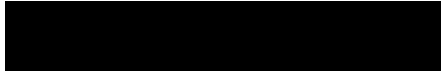

Rydym yn croesawu derbyn gohebiaeth yn Gymraeg. Byddwn yn ateb gohebiaeth a dderbynnir yn Gymraeg yn Gymraeg ac ni fydd gohebu yn Gymraeg yn arwain at oedi.

We welcome receiving correspondence in Welsh. Any correspondence received in Welsh will be answered in Welsh and corresponding in Welsh will not lead to a delay in responding.

In order to continue this process robustly, it is considered that this additional time would be appropriate for those relevant stakeholders to provide necessary comment and to allow for any internal governance processes. This will provide the Examining Authority with the confidence that significant dialogue and engagement has been undertaken by all stakeholders involved.

Welsh Government are not aware that the Examining Authority has yet accepted this request? Welsh Government therefore support Horizon's request that the revised Rule 8 letter issued on 18 December 2018 is updated in accordance with the dates set out in Table 1 above.

Yours sincerely

A solid black rectangular box used to redact the signature of James Hooker.
