Dear Sir/Madam,

I write with reference to your request for further information regarding the application by Horizon Nuclear Power for an Order Granting Development Consent for the Wylfa Newydd Project.

Question R17.2.27 asked for SP Manweb to confirm which matters remain unresolved with regard to the protective provisions and to provide a final position in relation to those matters.

SP Manweb can confirm that we do not have any further comments to make on the protective provisions as set out in the draft DCO submitted at Deadline 8 dated 25 March 2019.

Kind Regards,

Claire Duffy
