**Subject:** Statement of Common Ground with National Grid  
**Date:** 20 April 2019 18:55:56

---

Dear Examining Authority

This document needs to either be revised, to remove all reference to overhead transmission lines, or deleted from the public record

To leave it unaltered would be an abuse of the planning process

National Grid should not be allowed to get "approval by stealth"

With regards

Mrs M.A Walker
