WYLF-EIA024

Dear Planning Inspectorate,

Thank you for your email accompanying a letter from BEIS dated 23/10/19 which includes a question from the Secretary of State requiring a response from HSE.

Question

The Secretary of State also invites comments from **NRW, Office for Nuclear Regulation, Isle of Anglesey County Council (“IACC”), the Health and Safety Executive, Welsh Water and any other consenting or licencing body** on any risks or impediments to the management of impacts that may result from the withdrawal by the Applicant of the licence and/or permit applications.

HSE Response

As this NSIP is for a Nuclear Power Station, it is for the Office for Nuclear Regulation (ONR) not HSE to respond, as outside our vires. We appreciate that there is a Statutory obligation to contact HSE for all NSIPs.

Kind regards,

Dave Adams
