**Subject:** Bats

Absolutely disgusting. Work must stop immediately felling Coronation Wood. You do not have a bat licence and are destroying protected roosts-this is illegal and must stop now. Please show some respect for our plunging in numbers British wildlife.

Your application to Natural England for a European Protected Species Bat Mitigation Licence (ref 2020-50424-EPS-MIT submitted 23rd November) is under consideration and has not been granted.

You are operating illegally and the British public find this completely unacceptable.

Clare Rizzo
