Dear Casework Team

Many thanks for the attached, ECC will attend both Hearing sessions and at this time we do not wish to register to speak, however this may change following discussion with Suffolk as the host County Authority, and I am aware that the Inspectors will ask for any comments from the floor on the day.

The Hearing dates are in diaries and I assume details of how to joint the same will follow in due course.

Kind regards

In line with government advice relating to the COVID-19 pandemic, from 20 March the ECC Planning Service is working remotely, away from the office for the foreseeable future. This is a challenging time, and as a service we are adapting where possible. This means staff are working flexibly throughout the day around caring responsibilities and/or have been redeployed to support critical council services.
