Dear Ms McKay

Application EN010012 for The Sizewell C Project by NNB Generation Company (SZC) Limited (“SZC Co.”)

We write further to the Rule 6 letter issued by the Examining Authority on 23 February 2021 [\[PD-011\]](#).

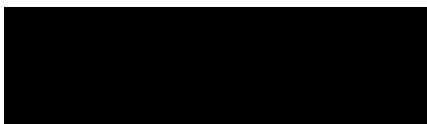

As requested in the Rule 6 letter, all parties wishing to speak on behalf of SZC Co. at the Preliminary Meeting: Part 1 have pre-registered with the Case Team using the Preliminary Meeting Participation Form.

We have no substantive comments to make at this stage regarding the examination procedure or draft examination timetable. However, the speakers attending the Preliminary Meeting: Part 1 on behalf of SZC Co. will be available to participate in any discussion of such matters that takes place during the meeting if necessary and where this would assist the Examining Authority.

Should SZC Co.’s proposed changes to the application be accepted by the Examining Authority, we are aware that it will be necessary for SZC Co. to confirm the period over which relevant representations can be made in respect of the proposed additional land provisions pursuant to the Infrastructure Planning (Compulsory Acquisition) Regulations 2010. In parallel with this process, SZC Co. is also intending to carry out publicity that reflects the requirements of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. We will seek to ensure that the dates of the required notifications and publicity are appropriately aligned with the examination timetable issued with the Rule 8 letter.

Please do not hesitate to contact me if I can help in any way to clarify further any matters associated with this letter.

Yours sincerely

Carly Vince
