Dear Colleagues of the Examination Authority PINS,
We hope this finds you remaining well.

Aldeburgh Town Council has registered to speak at the Preliminary Meeting (our ref number: 20026721).

We would like to also make you aware of our concern that your Rule 17 letter asking the Applicant for more information regarding proposed changes gave the deadline for response of Deadline 1 which is 10th March, yet we (as an Interested Party) had to reply by 10th March to request to speak at the PMs and stating what we intended to speak about on each agenda item. ATC is specifically worried about the BLF which has been introduced as a potential change, and would like to have seen the additional information from the Applicant prior to our response. Please can you consider deadline dates to allow IPs time to both read and consider information prior to response. Thank you.

Kindest regards,
Marianne
