Dear Case Team

**Preliminary Meeting, Agenda item 7: Procedural Decisions taken by the ExA – Annex E.  
Statements of Common Ground**

I am writing on behalf of our members.

We would like to thank the ExA for re-considering our group with reference to submitting a Statement of Common Ground. However, as a result of working closely with Suffolk Wildlife Trust and RSPB Minsmere, we find that our own views are very much in accord with theirs. We consider, therefore, that we would be able to endorse the SoCG submitted by the RSPB/SWT, which, in effect, would also be speaking for ourselves.

We would be pleased to save time in the Examination in this way.

Yours sincerely

*Rachel Fulcher, Coordinator*
