Subject: Virtual meeting tomorrow

Dear Lily and Jake,

I am afraid that I will not be able to attend the virtual preliminary meeting tomorrow because it clashes with the Independent Compensation Board meeting for Thames Tideway on which I sit.

Had I been able to attend I would like to have talked on item 5 to say that the changes that EDF are planning to make are in my view substantial material changes. Under item 6 I think that the closure of the PM should be deferred to allow time to prepare final submissions. The current problems with COVID-19 and the immediate future with the pandemic and possible continuation of lockdown could impair a proper evaluation of the issues which can only be truly effective if carried out face to face.

With best wishes,
Stephen Stansfeld
