Dear Edwina Galloway

Whilst we acknowledge your request to make oral submissions at Issue Specific Hearings (ISH) please note that ISHs are held to explore in detail a specific issue or set of issues arising from the application. Therefore, can we request that you provide an outline of the topics that you wish to be heard orally on at an ISH by Deadline 1 on 12 May 2021.

Advice note 8.5 states "The Examining Authority will choose whether to hold such hearings, what they will be about and how many will be held. An Issue specific hearing

will be held, not necessarily because an issue is regarded as more important than other issues, but because the Examining Authority thinks it is necessary to find out more or clarify matters that are already before them, for example, in an application document or a representation”.

Kind regards
