Dear Sizewell Case Team

I have been unable to find the form through which I, as an expert engaged by an Interested Party, am able to give notice of intention to speak at one of the upcoming Issue Specific Hearings.

My reading of the Rule 8 letter is that by Deadline 1 notification has to be given (see blue highlight on printscreen below):

of the Examination Rules (if required)	
<p>Deadline 1 (D1) For receipt by the ExA of:</p> <ul style="list-style-type: none">• Comments on Relevant Representations (RRs)• Summaries of all RRs exceeding 1500 words• Comments on Applicant's draft itinerary for ASI and suggested locations for site inspections (Accompanied or Unaccompanied), including justification, for consideration by the ExA• Notification of wish to attend ASI*• Local Impact Reports (LIR) from any local authorities• If needed, draft section 106 Agreement(s) (s.106), s.106 Explanatory Memorandum and draft Confirmation and Compliance Document• Notification by Statutory Parties of their wish to be considered as an IP by the ExA• Notification of wish to speak at any Open Floor Hearing (OFH)* (NOTE: notification of wish to speak at the OFHs w/c 17 May 2021 MUST be made on the appropriate form)• Notification of wish to make oral representations at an Issue Specific Hearing (ISH)*• Notification from any Affected Person of wish to speak at a Compulsory Acquisition Hearing (CAH)*• Notification of wish to have future correspondence received electronically	<p>Wednesday 12 May 2021</p>

¹ Please note: an ASI can only go ahead if Government guidance on COVID-19 at that time permits.

* All notifications of a wish to attend or speak at an Examination Event must be submitted separately from other correspondence

I can find a registration form for participation in the Open Floor Hearings, but not that which relates to Issue Specific Hearings.

Am I missing some subtle difference between 'notification' and 'registration' and 'participation' when it comes to what has to be sent to you?

In case this email may suffice as notification, the principal issue is 'Biodiversity and ecology' and the interested party that has engaged me (amongst others but there is a specific ExAQ relating to this IP) is " David Grant – 20026043 " .

Thank you for your assistance.

Roger Buisson
