

Minsmere Levels Stakeholders Group (MLSG – IP:20026696)

Deadline 1 – Notification of wish to speak at Issue Specific Hearings

MLSG notify the Examining Authority that we wish to make oral representations at any hearings that will deal with any of the following issues;

1. Flood risk, ground water, surface water
2. Landscape impact, visual effects and design
3. Marine ecology and fisheries, marine water quality and sediment, marine navigation
4. Policy and need
5. Coastal Geomorphology
6. Hard and Soft Coastal Defence
7. Permanent and Temporary Beach Land Facilities
8. Sizewell Marsh and the SSSI Crossing
9. Minsmere Sluice
10. Borrow Pits, spoil heaps
11. Potable and non-potable water supply

This list represents our main areas of concern but we reserve the right to request to make submissions at any of the Issue Specific Hearings should the subjects being covered have a bearing on our interests.
