Subject: Ref: 20028069 - request to speak at ISHs
Date: 12 May 2021 22:40:44

Dear Case Team

Please accept this our notification that the Sizewell A and B Sites Stakeholder Group (SSG) wish to reverse the right to speak at all ISHs for the Sizewell C DCO. Our interested party number is 20028069.

We would specifically also like to attend and speak at the ISHs on:

Radiological considerations, including the management of major accidents and disasters, and Emergency Planning.

Provision of storage of Intermediate Level Waste (ILW) and spent fuel.

Cumulative impact

Policy and Need

The Draft Development Consent Order

The Transport Strategy, including the freight management strategy, rail freight path availability and deliverability

Community Impacts and Safety - including law and order impacts and the role of the emergency services, displacement of residents and potential need for diversionary routes.

As well as broader impacts on housing, public services, sports, recreation and health and wellbeing for the local community

Coastal Geomorphology to cover the permanent and temporary Beach Landing Facilities proposed Hard and Soft Coastal Defences, drainage outfall and the relationship to climate change and resilience

Socio economic issues including skills development, accommodation impacts, tourism impacts, supply chain, and opportunities for local people and businesses

Water supply and other shared infrastructure with Sizewell A or Sizewell B.

Many thanks and kindest regards

Marianne Fellowes

Independent Chair of the Sizewell A and B SSG
