

Application by NNB Generation Company (SZC) Limited for an Order Granting Development Consent for The Sizewell C Project

Detailed Agenda for Open Floor Hearings OFH1, OFH2, OFH3, OFH4, OFH5, OFH6, OFH7, OFH8 and OFH9

Notification of the dates, times and venue for Open Floor Hearings (OFH) from Tuesday 18 May to Friday 21 May 2021 was provided at Annex D of the Examining Authority's [Rule 8 letter](#) dated 23 March 2021.

Arrangements Conference

Please join at the appointed time for the Hearing you have been invited to. The list of speakers invited to each OFH is included at **Annex A**. The Case Team will admit you from the Lobby and register your attendance.

Where necessary a break will be provided during the OFH in recognition of the fatigue associated with on-screen communication during virtual events. Where an OFH has been divided in to two Sessions, those listed to speak in **Session 2** may, if they wish, leave the hearing after Item 1 below and then re-join the OFH as indicated in Annex A before the start of Session 2.

1. Welcome, introductions and arrangements

2. Representations by named Interested Parties and Non-Interested Parties

Speakers will be heard in the order shown under the List of Speakers in **Annex A**:

- A maximum speaking time of five minutes will apply to oral submissions made by individual Interested Parties (IPs)
- A maximum speaking time of fifteen minutes will apply to oral submissions made by Organisations, Groups, or Representatives of a number of individual Interested Parties.

Speakers should leave after the end of their contribution and may follow the remainder of the event using the Livestream.

Non-Interested Parties (Non-IPs) will be heard at the discretion of the ExA after IPs. These persons are included in the List of Speakers in **Annex A**. The same maximum speaking times and procedure will apply as for IPs.

The ExA may ask questions of IPs, Non-IPs and the Applicant about matters arising from written and oral submissions. If they do so during a timed oral submission, the time taken by the ExA will not count against the speaking time.

3. Responses by the Applicant

The Applicant will be invited to respond to matters raised and to questions arising from the ExA either orally after all IPs and Non-IPs have spoken, or in writing by **Deadline 2** on **Wednesday 2 June 2021**.

4. Close of Open Floor Hearing

Participation, conduct and management of hearings

Participation by speakers

Open Floor Hearings (OFHs) do not have subject-matter controlled agendas and participants may raise any matters arising from the application that is important and relevant to the decision taken under the Planning Act 2008 (PA2008). All speaking slots are time limited and, for reasons of fairness, the time limits shown on the detailed Agenda will be closely applied. The ExA will remind you to conclude approximately one minute before the end of your allotted speaking time.

OFHs are hearings where individuals and organisations have their say. Cross questioning is not normally allowed and the ExA will ask any questions that arise. The ExA will make appropriate provision for the introduction of more detailed evidence from experts at Issue Specific Hearings (ISHs). People who have land or rights affected by Compulsory Acquisition or Temporary Possession are Affected Persons: they have a right to be heard at a Compulsory Acquisition Hearing (CAH) and that will be the best forum to raise those issues.

OFHs aim to identify planning issues that are important and relevant. Once an issue has been identified it does not need to be repeated. It is sufficient to say that you agree with something a previous speaker has raised.

Once you have spoken at one OFH you do not have a right to speak again at another. It is important that you use your allotted time well to communicate your messages to the ExA.

The evidence presented orally at these hearings should be included in post-hearing submissions and submitted at **Deadline 2** on **Wednesday 2 June 2021**.

The Applicant

The ExA asks that the Applicant attend these hearings. The Applicant may be asked by the ExA to address questions raised by participants in summary form at the end of each hearing. The primary purpose of these hearings is not to enable the Applicant to make its own case beyond immediately necessary points of clarification. The Applicant's responses to participants oral cases should be made in writing by **Deadline 2**.

Contingencies

The ExA will endeavour to hear the speakers identified in the List of Speakers at **Annex A**. If the hearings, or parts of them, are unable to proceed then the ExA may adjourn incomplete business to later in the same week or to reserved hearings later in the Examination Timetable. Notice of any adjournments will be provided on the project page of the National Infrastructure Planning website.

Microsoft Teams

The OFHs will take place virtually using Microsoft Teams. Further information about virtual events in relation to Nationally Significant Infrastructure Projects (NSIP) can be found in the Planning Inspectorate's Advice Note 8.6: Virtual examination events:
