To whom it may concern

I am writing to say how much i am against the building of Sizewell C.
There are numerous reasons but mostly its the devastation that will occur to our beautiful heritage coastline. the wildlife, the damage to the sea bed.
The sheer size of it is absolutely appalling and it will take far too long to build and cost a huge amount of money.
it will be a nightmare living around the area while it gets built and the stunning coastline will be absolutely ruined.
PLEASE do not go ahead.

So, for the record, add my name to the list of suffolk homeowners who are opposed to this dreadful scheme.
