Dear Planning Inspectorate

As the joint owner of Great Eastern Craft Cooperative Ltd in Southwold
I am extremely worried about the proposed building of Sizewell C and D
and the impact it will have on our shop.

We rely on holiday visitors coming to the town and according to reputable sources
visitor numbers will decline drastically.

The predicted tourism spend will be down by £40 million
and rush hour traffic increased by 50%

Please rethink the proposals

Yours Sincerely,

Janet Watson
