

WOODBIDGE TOWN COUNCIL ORAL PRESENTATION

ISH (3) – TRAFFIC AND TRANSPORT

Thursday 8th July 2021

Questions asked by the Locum Deputy Town Clerk of Woodbridge Town Council, Mr Gordon Musset;

I've just got a question about the GPS tracking and Mrs. McManus is quite right that most lorries nowadays are GPS tracked. She's failed to explain how the ones working on behalf of Sizewell C will be tracked separately from those not working for Sizewell C. Is she able to provide some form of evidence to support that claim. Will it be a condition of contract with HGV and suppliers, that this particular GPS is fitted to their vehicles?

Can the applicant just confirm that the holding area for the 100 HGVs in the event of there being an accident on the A12, to be provided at Wickham Market, is a completely separate but adjoining area to the park and ride?
