		4(1)(b) applies to all of the rail works (Work No. 4).		
Schedule 2	ESC	New interpretation provision has been added to confirm, for the avoidance of doubt, that compliance requirements that regulate pre-commencement activities must be adhered to by the undertaker throughout construction (i.e. pre-commencement (as defined)).	To respond to ESC's request for clarity to be provided as to which requirements are intended apply throughout construction.	Rev 7
Schedule 2, requirement 3	ESC	The term "commenced" has been replaced with "carried out"	To ensure that it is clear that this requirement will apply throughout construction and not just from commencement (as defined).	Rev 7
Schedule 2, requirement 5B	ESC	Amendments made to the drafting of part (1)(ii) of this requirement to avoid the use of the term "commencement"	To ensure that it is clear that this part of this requirement will apply to the start of the relevant works and not to their commencement (as defined).	Rev 7
Schedule 2, requirement 6	Applicant	The revision numbers have been removed from the plans listed in this requirement	Amendment made for consistency with other requirements and because the revision numbers are not necessary as they are specified for each of the Approved Plans in Schedule 7.	Rev 7
Schedule 2, requirement 6A	ESC	The term "commenced" has been replaced with "carried out"	To ensure that it is clear that this requirement will apply throughout construction and not just from commencement (as defined).	Rev 7
Schedule 2, requirement 19	Applicant	The revision numbers have been removed from the plans listed in this requirement	Amendment made for consistency with other requirements and because the revision numbers	Rev 7
