Dear Examining Authority,

Application by NNB Generation Company (SZC) Limited (“the Applicant”) for an Order Granting Development Consent for The Sizewell C Project (“the Project”)

1. We write on behalf of Together Against Sizewell C (“TASC”) (IP no. 20026424) in order to respond to ExQ2, General and Cross-Topic Question G.2.15 Policy and Need – Deadline 7.
2. On 5 May 2021, TASC sent a letter to the Secretary of States for HCLG and BEIS [Rep1-187] regarding the status of Energy National Policy Statements (“NPSs”) EN-1 to EN-6 both in respect of the Project for the purposes of s.104 of the Planning Act 2008 and pending completion of the ongoing NPS review (see DL1). Under Question G.2.15, PINS requested that a copy of any response received was submitted to the Examination.
3. BEIS responded to TASC’s letter on 2 June 2021. We **enclose** a copy with this letter as requested. The Secretary of State for HCLG did not separately respond, because BEIS told TASC that the letter fell within BEIS’s remit.
4. We trust this letter will be of assistance.

Yours faithfully,

[REDACTED]
