SCC's current position on the draft Deed of Obligation

Suffolk County Council Registration ID Number: 20026012

Deadline 7, 3 September 2021

1. This note provides an update by SCC on the progress of discussions on the draft Deed of Obligation.
2. SCC is close to reaching agreement with the Applicant on the content of all the schedules of the draft Deed of Obligation that SCC has a direct interest/involvement in. We understand that the Applicant will submit an updated version of the draft Deed of Obligation at Deadline 7, which we have not sight of in advance of its submission, but we trust that this will reflect what has been agreed in discussions.
3. We note that a number of drafting changes, including additional details, are still sought by SCC for the draft Deed of Obligation, which we aim to work through with the Applicant in advance of Deadline 8.
4. We trust that all issues in relation to the draft Deed of Obligation can be resolved. We will update the Examining Authority of any possible outstanding concerns either at ISH14 or at Deadline 8.
