**The Sizewell C Project
Written Submission to the Examining Authority (ExA) on the Draft Development
Consent Order for Deadline 6**

Dear Sir / Madam

We refer to the above application for development consent and the Applicant's revised draft Development Consent Order (DCO) published on 28 July (Application Document REP5-029).

Trinity House has engaged with the Applicant in relation to the draft DCO, in particular Part 6 (harbour powers) and Schedule 20 (deemed marine licence). This has resulted in a number of changes to the draft DCO, which the Applicant has incorporated in the version published for Deadline 5.

Trinity House can confirm that it is content with and supports the approach to drafting which the Applicant has alighted upon in the draft DCO published for Deadline 5.

For completeness, it is understood that the Applicant will be making a further minor change to Schedule 20 in the next version of the draft DCO, to include Trinity House's address and contact details at paragraph 2 of that Schedule, alongside those of the MMO. We support this proposal.

Finally, Trinity House notes that a further round of written questions was published by the Planning Inspectorate on 3 August 2021. Trinity House will consider these and provide any responses requested by Deadline 7.

We trust that this submission is helpful and would ask that all correspondence regarding this matter is addressed to myself at [REDACTED]@trinityhouse.co.uk and to Mr Steve Vanstone at navigation@trinityhouse.co.uk

Yours faithfully,

Russell Dunham
