24 September 2021

Contents

A. Attendance/log-ins required for Issue Specific Hearings	2
B. Leading authority for each topic area between Suffolk County Council and East Suffolk Council	3
C: Pen Profile of SCC officers and consultants attending	4

A. ATTENDANCE/LOG-INS REQUIRED FOR ISSUE SPECIFIC HEARINGS

Suffolk County Council (SCC) requests to participate virtually at the Issue Specific Hearing ISH 15.

Table 1 sets out the log-ins/attendees required for the Hearing. It is noted that, as the detailed agendas for the ISH is not available by Deadline 8, SCC reserves the right to add additional technical officers to the attendance list. Equally, it may be possible that some of the officers listed below will not be required.

Table 1: Log-ins required for all ISHs (i.e. ISH 11-14)

Name	Role for SCC	Log-in email
Michael Bedford QC	Counsel	
Michael Moll	SCC Programme Director Sizewell C	
Bryn Griffiths	Assistant Director Major Projects and Planning / SCC Senior Responsible Officer for Sizewell C	
Isaac Nunn	Senior Planning Officer (Energy)	
John Pitchford	SCC Sizewell C Lead Planning Advisor	
Neil McManus	Development Contributions Manager	
Emyr Thomas	Solicitor (Sharpe-Pritchard)	
Alastair Lewis	Solicitor (Sharpe-Pritchard)	
Steve Merry	Transport Policy and Development Manager	

B. LEADING AUTHORITY FOR EACH TOPIC AREA BETWEEN SUFFOLK COUNTY COUNCIL AND EAST SUFFOLK COUNCIL

During the Issue Specific Hearings, both Suffolk County Council (SCC) and East Suffolk Council (ESC) respectfully request that the ExA follows the table below, which has been agreed between the two Councils, as to which Council will lead off in each subject area i.e. be first invited to speak. This order is not intended to infer any particular status for either Council, merely the preferred order for us to be invited to address the ExA.

	Leading Authority	Supporting Council
ISH15 on Temporary Desalination Plant	SCC (Transport matters) ESC (Coastal processes)	N/A

C: PEN PROFILE OF SCC OFFICERS AND CONSULTANTS ATTENDING

Name	Examination Role	Job Title	Expertise
OFFICERS			
Bryn Griffiths	SCC Sizewell C Core Team / Senior Responsible Officer	Assistant Director Major Projects and Planning / SCC Senior Responsible Officer for Sizewell C	Assistant Director for Major Projects and Planning at SCC, with responsibility for major projects including Sizewell C and delivery of SCC's own NSIP the Gull Wing bridge in Lowestoft. Has led the development of SCC's own Energy from Waste power plant which was built in Great Blakenham on the outskirts of Ipswich. Before his appointment in Suffolk, worked for wide range of local councils in London: Greater London Council, the London Strategic Policy Unit, Hackney, Islington, Newham and the Greater London Authority. Has been SCC's Senior Responsible Officer for Sizewell C for more than 10 years.
Michael Moll	SCC Sizewell C Core Team / Programme Director	Programme Director Sizewell C	Spatial Planning university degree (German equivalent to MA), Diploma in Public Service Management. Extensive experience in leading a wide range of major transformation and change programmes over the past 12 years. Prior to these programme management roles, worked in a range of strategic planning roles, for SCC and the (now dissolved) Lowestoft and Great Yarmouth Urban Regeneration Company. Has been leading and coordinating SCC's involvement on Sizewell C as its Programme Director since 2016.
John Pitchford	SCC Sizewell C Core Team / Planner	Sizewell C Lead Planning Advisor	Member of Royal Town Planning Institute, BA (Hons), Diploma in Town Planning, Diploma in Management Studies. Head of Planning, SCC 2013-19. Has been involved with Sizewell C Project since 2007, and has also been lead planning officer for other energy projects in Suffolk. Previous experience elsewhere include major infrastructure schemes such as airport development and new settlements.

Neil McManus	SCC Sizewell C Core Team / S106 lead	Development Contributions Manager	BSc (Hons) Urban Land Administration; Member of the Royal Institution of Chartered Surveyors (MRICS); Member and past-President of the Association of Chief Estate Surveyors and Property Managers in the Public Sector (ACES). Project management experience including overseeing the delivery of OrbisEnergy. Corporate lead officer since 2005 for development contributions in order to ensure the funding of appropriate infrastructure and mitigation measures to support the delivery of sustainable development.
Isaac Nunn	SCC Sizewell C Core Team / Planner	Senior Planning Officer (Energy)	Planner specialising in responses to Energy NSIP proposals. Part of the team responding to the Sizewell C project and leads the SCC response to Sunnica Energy Farm.
Steve Merry	SCC Transport	Transport Policy and Development Manager	Chartered Engineer (CIHT) with over 30 years' experience in highways engineering. Currently Transport Strategy and Development Manger but formerly worked in highways maintenance, consultancy and materials testing roles.
