Dear Ms McKay

Planning Act 2008 – Section 88 and the Infrastructure Planning (Examination Procedure) Rules 2010 – Deadline 9: Further comments on The Examining Authority's third written questions.

Application by NNB Generation Company (SZC) Limited for an Order Granting Development Consent for the Sizewell C Project

For Deadline 9 (30th September) we are now able to provide the following response to the Examining Authority's (ExA) third written question relating to Waste (conventional) and material resource (Wa.3).

Wa.3 Waste (conventional) and material resource			
Wa.3.0	Environment Agency	Waste Management Strategy – Addendum [REP7-] The applicant at Deadline 7 has submitted an Addendum to the Waste Management Strategy setting out Key Performance Indicators (KPI). Are you satisfied this Addendum addresses your original concerns about the lack of KPI in the Waste Management Strategy?	We can confirm that [REP7-021] Conventional Waste and Material Resources - Appendix 8A of the Environmental Statement: Waste Management Strategy Addendum - Revision 1.0 satisfies our original concerns about the lack of KPI in the Waste Management Strategy.

Yours sincerely

Simon Barlow
Project Manager - Sizewell C Nuclear New Build
Environment Agency
