Hi,

As branch secretary of Suffolk UNITE Community I contacted all our members (more than 200) to invite them to indicate whether they were in favour of Sizewell C. Not one contacted me to say that they agreed with the proposal. Accordingly, at our branch meeting it was unanimously agreed that we oppose the construction of Sizewell C, for many many reasons, all of which have been well documented. We support the Stop Sizewell C campaign.

Regards,

Anthony Dooley,
