Dear Ms Gregory

Please find enclosed our D10 submissions:

- Written Summaries of Oral Submissions made at ISH15; and
- Final Submissions

Please do not hesitate to contact us should there be an issue with either document.

Although we continue to be grateful to the Applicant for the helpful engagement it has had with us, it is worth noting the RSPB and SWT team has tried to take account of all new information submitted by the Applicant during the Examination, however the quantity and length of submissions made especially in the last two months has made this virtually impossible. Therefore should any comments be on non updated versions of especially the mitigation, compensation monitoring and management plans we request the Examining Authority's forgiveness.

We are extremely grateful to the Examining Authority and all of the Planning Inspectorate Team that have enabled such a smooth running of this examination and their assistance to us throughout.

With kind regards

The RSPB and SWT Examination Team
